Under no conditions are personnel authorized to use government assets for potential financial gain (forward this E-mail and get \$ from Microsoft) nor is it authorized to send or forward chain letters (regardless as to it's nature) via E-mail. Your safest bet is For Official Use Only. If you have questions as to what is appropriate contact your activity System Security Officer or the Installation System Security Manager, Ms. Carol Vasko-Norman at 545-3738.

4. STAFF DUTY CHAPLAIN: The Staff Duty Chaplain can be reached for emergencies during non-duty hours through the Staff Duty Officer, Infantry Hall, 545-2218.

5. MILITARY POLICE: Official emergency telephone numbers for the Fort Benning MP Desk (911, 545-5222/3/4) are recorded for accuracy of record purposes (AR 190-30). POC is CPT Sides/MSG Jones, Law Enforcement Division, 545-4376.

6. UNAUTHORIZED HANDLING OF DUD AMMUNITION: All ranges and training areas on the Fort Benning installation are particularly dangerous due to unexploded ammunitions. Persons who enter areas are in extreme danger, especially children, who are naturally curious and will pick up a harmless looking object, unaware of the danger in which they placed themselves. Sometimes merely walking in the area of dud ammunition will produce sufficient vibration to release the firing mechanism causing the shell to explode. Prevention instruction and adherence to safety regulations will help avoid the misery and grief

accompanying an injury or death for dud ammunition accidents. Fort Benning ranges and training areas are off limits to all unauthorized personnel. POC is Range Division, 545-1602.

7. RECLAMATION CLOTHING SALE: The Reclamation Clothing Sale will be held on Friday, 5 May, 1000-1400, Bldg 224. Sale items will be priced to 25 percent of acquisition cost rounded up to the nearest dollar. Each customer will be limited to \$150.00 total purchase. Payments will be accepted in the form of cash or personal checks. Persons authorized to purchase personal clothing at the sale include all active duty personnel of all branches of the Armed Forces. Sales to retired members of the Armed Forces are limited to Class A uniforms (including accessories) and dress shoes. Proper identification is required. POC is Mr. Wimmer, Storage Section, 545-1972.

8. OVERDUE DISPATCHES: All permanently assigned GSA vehicles should be re-dispatched prior to dispatch expiration date. Customers with past due dispatches will not be allowed to receive fuel until vehicle is properly dispatched. POC is Phyllis Peacock, 545-3018.

9. NEW HEALTH CARE CONSULT TRACKING SYSTEM: Martin Army Community Hospital Implements New Health Care Consult Tracking System. Department of Defense has mandated that all Military Treatment Facilities implement a new consult tracking system. On 5 May, Martin Army Community Hospital will download this consult tracking system. The week prior to this download and implementation, an aggressive training schedule will take place to prepare the staff for live activation on 8 May. Administrative staff will be trained during the month of April, but due to mandatory training of our medical staff during the month of April all providers will be trained from 1 May through 5 May. This training will impact on availability of appointments that week, but this training is crucial in the successful conversion from the current electronic consult processes to the new processes. This will not impact on any acute care or emergency treatment that our patients may require. As with all new systems, some problems will be noted during the first month. Once these are identified and actions are taken to correct them, the system will enhance the capabilities of MACH to facilitate consults and follow the movement of the consults to complete closure in an efficient and expeditious manner. POC is Carol Cain, 544-3435.
